Dear Valued Patients,

As your family doctor, it has been my pleasure to assist you with your health care needs.

Some services are not covered by OHIP. These non-insured services include pharmacy prescription renewal requests, sick notes, travel vaccinations and referrals for orthotics, massage or physiotherapy and ear syringing for wax. By law, we must add HST to these service fees.

Our office policy is in accordance with the Ontario Medical Association. You may choose to either pay for these services individually as needed or sign up for our **Annual Block Fee Plan**. This plan will cover you and your family for all of our services from **October 1st, 2022- September 30th 2023**. **Payment must be made in full and will not be pro-rated to when you join.**

Payment can be made by Visa or Mastercard. Payment by Cheque, cash or Debit Card can be made at the office. **Please make cheques payable according to your doctor.**

Please note that the Block Fee Plan does not cover missed appointments or late cancellations. It is necessary to provide 24 hours' notice to cancel an appointment or a minimum \$30 charge.

For your convenience we have enclosed a list of non-OHIP services most used by our patients that would be covered completely or subsidized partly by the block fee plan.

If you have any questions regarding the Block Fee Plan or the clinic policy and services, please feel free to contact us. We look forward to helping you with your health issues and concerns.

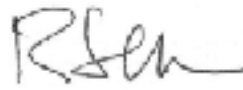

Yours in Health,

Dr. Naama Bartfield
